The Diarists' Workshop

A School of Personal Writing and Creative Journaling

At the Diarists' Workshop we strive to maintain a comprehensive resource guide to assist your search for the best books, periodicals, websites and sources of supplies on the subject of journaling and diaries. Our complete on-line resource page is growing in a wonderfully diverse fashion, as one would expect for such a personal topic. Our hope is that you find the tools that nurture the development of your inner voice and creative expression. In this section you will discover dozens of new sources by connecting to the publishers, websites and stores we have identified. We hope you will help us expand this valuable resource guide by submitting discoveries of your own. Please contact us with ideas on your favorite authors, books, magazines, websites, inks, papers, stamps and the like. Click on the links below to follow your nose to new horizons, and keep writing!
